5 th	5
6 th	6

Each place thereafter	Add 1 point
DNF	Number of yachts in the AYC Class Regatta Fleet +1

Fleets

A yacht's AYC Championship points will be competing against the yachts in their pre-designated AYC Fleet noted above regardless of class splits for the individual events.

Example: A yacht with a PHRF-LE rating of 126 in a particular AYC counter event may be in the PHRF-F class for that particular event. For AYC scoring purposes, this yacht will be scored in the PHRF B AYC Class so that AYC results will reflect all PHRF B yachts scored. In other words, overall results for the particular counter races will be used for AYC scoring purposes and yachts will be scored in their respective AYC classes for this series.

Tie Breakers

If 2 or more yachts are tied in points using their best 4 races a yacht's 5th best finish will be counted. If they are still tied then the best 6th, 7th, 8th, 9th and 10th race will be counted in order to break the tie. If the yachts are still tied, then the yacht with the best sailing record against the other Yacht(s) in AYC events for that year shall win the tiebreaker.

Mills Race

Yachts sailing different courses in the Mills Trophy Race may win the same place in their respective courses. These standings will be used for scoring purposes which would indicate a tie. The other AYC counter races will be used to break the tie.

Awards

Awards will be presented to the top 3 yachts in each class at the annual AYC Sailing Awards dinner.

An additional award will be given to the yacht in both PHRF and JAM that has the best overall finishes as described above.

The yacht that finishes with the best PHRF overall score will be awarded the Blue Gavel Trophy. This yacht will be then honored as The "AYC Boat of the Year".
